Recommendation: Award the flooring material package to **Keystone Flooring Supply** at \$39,235.80 (plus tax). Lowest leveled cost, \$2,119 under budget, basis-of-design products and the shortest lead time. Coastline is lowest on paper but highest after adhesive, freight and plug adjustments, and its import LVT puts the 11/16/26 LVT start at risk. Released as PO-26118-003 (see Purchasing sample).
